

Cambridge Checkpoint

Cambridge Checkpoint is a series of resources based on the Cambridge Secondary 1 curriculum frameworks covering three years of study in Stages 7–9 (typically ages 11–14). Written by experienced authors, *Cambridge Checkpoint* provides carefully crafted support to English, Maths and Science programmes in CLIL or Bilingual contexts. In addition, our *Cambridge Primary* series supports the Cambridge Primary Curriculum framework for English, Maths and Science and is suitable for Stages 1–6. As with *Checkpoint*, our *Cambridge Primary* series is also written to support learning in a CLIL or bilingual context.

For more information about our Primary series visit education.cambridge.org/cambridgeprimary

English as a Second Language (ESL)

At Cambridge University Press we provide resources to support you, and your students as they develop the English skills required for academic success across the curriculum from Primary to pre-University. *Cambridge Global English* (Stages 1–9) provides cross-curricular content for Primary and Lower Secondary learners. *Introduction to English as a Second Language* prepares lower Secondary learners for the challenges they will face as 14–16 year olds. We offer resources for IGCSE® and IB Diploma study and pre-University academic writing. Also, literacy is supported through original and traditional literature at both Primary and Secondary.

Cambridge Global English

Cambridge Global English is a nine-stage course from Primary to lower Secondary which follows the Cambridge International Examinations English as a Second Language curriculum frameworks for these stages. The series offers a language-rich approach to learning English and has been specifically created to support ESL learners worldwide. In addition, the series content encourages an enquiry-based approach to learning, building learners critical thinking skills, enriching their vocabulary and increasing their conceptual understanding.

Introduction to English as a Second Language

Fourth Edition

Peter Lucantoni

Introduction to English as a Second Language is a course to prepare students for studying at IGCSE® or equivalent level. Offering clear, practical support for students, it follows a variety of interesting themes and topics, with a focus on skills development. Each unit provides opportunities for thinking and discussion, along with developing research and study skills. Furthermore, each unit has a specific language-focus section to revise and consolidate key areas of language awareness and activities for vocabulary building.

IGCSE® English as a Second Language

Our trio of IGCSE® *English as a Second Language* series support teachers and learners with various needs. Updated for the revised syllabus, *Success International* challenges learners with a strong vocabulary focus. Also fully updated, the fifth edition of Peter Lucantoni's popular series includes video content in each unit and new units which focus on Speaking. Core offers more language support and builds confidence.

Other English Language Resources

Cambridge Reading Adventures

Cambridge Reading Adventures was developed in collaboration with the UCL Institute of Education and is designed for young children learning to read in English.

The books have been precisely levelled into eleven bands following the International Literacy Centre's Book Band Framework. The series includes fiction and non-fiction topics, on a wide range of subjects. Stories are set in international contexts, including traditional and animal tales, contemporary or historic settings, as well as non-fiction reports and explanations. The scheme is mapped to the vocabulary and grammar requirements of the YLE framework.
