Based on the successful pedagogy of *Super Minds*, *Super Safari* welcomes children as young as three on their first learning adventure. With its holistic approach the course supports all aspects of learners' development by improving their memory, thinking and motor-sensory skills as well as language and social skills.

- Develops children's thinking skills, memory, concentration and creativity with varied activities and projects.
- Lovable animal characters and colourful stories introduce children to new language as well as social values.
- Children will love the songs, creative arts and crafts, and TPR activities, which make lessons fun and develop motor-sensory skills.
- With engaging CLIL sections children discover the fascinating world around them.
