Discover China

DING ANQI, ZHANG JIE, QI SHAOYAN, TAN QIUYU, WANG DAN, BETTY HUNG

Discover China is based on an established methodology that follows a more communicative approach to language learning. Discover China enables learners to make rapid improvements and use Mandarin Chinese confidently in day-to-day situations. Students using Discover China achieve better results because they are encouraged to use the language through meaningful communicative activities in every lesson.

- A four-level course in Mandarin from Elementary to Upper Intermediate level, designed for young adult and adult learners.
- Real-life topics and everyday language presented and practised through all four skills for immediate use outside the classroom.
- Ample opportunities to use the language through personalisation, pair and group work activities.
- A clearly structured syllabus with balanced language, skills, pronunciation and character formation practice.
- A deductive approach to grammar that encourages students to work out rules for themselves.
- Extensive cultural input for students to engage with and respond to.
- A free downloadable *Teacher's Book* with unit-by-unit teaching notes, plus a resource area with additional activities and worksheets are available online.

NILE and Macmillan Education:

working together to prepare the teachers of today for the teaching of tomorrow

Norwich Institute for Language Education is a world-leading centre of excellence in the provision of teacher development courses, supporting English language teachers and trainers at every stage of their ELT careers.

As the partnership strengthens, NILE and Macmillan Education are collaborating further with the launch of our first jointly developed programmes in 2018.

Accomplish more with NILE courses

Face-to-face courses

Programmes cover all aspects of teaching methodology and skills, from primary and secondary education to trainer development in Norwich, UK. Tailor-made courses for groups are available both in-country and in the UK.

Online courses

Tutor-led, interactive courses provide flexibility to balance professional development and a full-time teaching schedule through the use of cutting-edge digital tools.

Certified courses

With a modular MA, Cambridge CELTA and Delta courses, NILE offers globally recognised teaching certification.

NEW ONLINE COURSES FOR 2018

Jointly Developed Courses

Practical Language for Teaching: *Primary*

Practical Language for Teaching: *Secondary*

These six-week courses are for teachers who wish to improve their own English language use in the classroom and learn practical techniques and tips for making their communicative language teaching more effective.

Teaching through English: *Primary Maths*

This eight-week course is for teachers in international or English-medium schools in countries where English is not the first language. Teachers will develop confidence and skills for delivering maths classes through English to achieve the best learning outcomes for students.

Power-Up Programmes

This series of short teacher development courses makes innovative use of digital resources to "power up" a new set of practical teaching skills in a short space of time. New courses for 2018 focus on areas such as drama and video.
