Grammar for the Real World

Grammar Explorer is an all new, three-level grammar series that prepares students for academic success through captivating National Geographic content and challenges students to think critically while using grammar in their listening, speaking, reading, and writing.

- ▶ Students use Grammar Explorer's Systematic ELPA Approach (Explore, Learn, Practice, Apply):
 - ✓ Explore every lesson through captivating articles that introduce the target grammar and build their knowledge in a variety of academic disciplines.
 - ✓ Learn by using clear grammar charts and explanations followed by controlled practice of the grammar forms.
 - ✓ Practice the grammar using all four skills through communicative activities that prepare them for academic work.
 - ✓ Apply their new language and critical thinking skills by completing a series of carefully crafted activities.
- ▶ **"Connect the Grammar to Writing"** sections develop writing skills and prepare students for academic paragraph and essay writing.
- ▶ Units are organized into **manageable lessons**, which ensures students master the grammar.

PRACTICAL GRAMMAR

SECOND EDITION

David Riley; John Hughes; Ceri Jones

Practical Grammar is a three-level British English grammar course for self-study or use in the classroom. The series takes students through key aspects of English grammar from Elementary to Upper Intermediate levels. Each level of Practical Grammar has 100 units, divided into modules of five units. Each module examines a particular area of grammar. The grammar is set in short, everyday conversations or texts, showing the language in natural situations which students will find engaging and can relate to.
