Raymond Murphy's best-selling elementary grammar book

A1 A2 B1

Essential Grammar in Use

Fourth edition

Raymond Murphy

ELEMENTARY TO PRE-INTERMEDIATE

Essential Grammar in Use Fourth edition is a self-study reference and practice book for elementary-level learners, used by millions of people around the world. This edition retains the key features of clarity and ease-of-use that have made the book so popular with learners and teachers alike.

Designed to be flexible, the fourth edition is available both with and without answers, making it perfect for self-study, but also suitable for reinforcement work in the classroom.

For learners who want the flexibility of studying with both print and digital content, the *Essential Grammar in Use* interactive ebook with audio can now be purchased with the printed book. The ebook works on iPads and Android tablets, as well as desktop and laptop computers. It can also be purchased through the Cambridge Bookshelf app on the App Store and Google Play.

- Interactive ebook makes it easier to study on the go, with all of the content from the printed book plus integrated audio to help with listening and pronunciation practice.
- Two-page units in an easy-to-use format, with clear explanations of grammar points on each left-hand page and exercises to check understanding on the right.
- Study Guide helps learners to identify the most useful language areas to study.

NEW

Raymond Murphy

B1 B2 INTERMEDIATE TO UPPER INTERMEDIATE

English Grammar in Use is the world's best-selling grammar book for learners of English.

- This new edition retains all the key features of clarity and ease-of-use that have made the book so popular with learners and teachers alike.
- Designed to be flexible, *English Grammar in Use* is available both with and without answers, making it perfect for self-study, but also suitable for reinforcement work in the classroom.
- For learners who want the flexibility in how they study, the *English Grammar in Use* interactive ebook with audio can be purchased with the printed book. The ebook works on iPads and Android tablets and desktop computers. It can also be purchased through the Cambridge Bookshelf app on the App Store and Google Play.
- Study Guide helps learners to identify the most useful language areas to study.

Unit 1 Present continuous (I am doing)

A Study this example situation:

Sarah is in her car. She is on her way to work. She's **driving** to work. (= She **is driving**...)

This means: she is driving **now**, at the time of speaking. The action is not finished.

am is are + -ing is the present continuous:

I	am	(= I'm)	driving
he/she/it	is	(= he's etc.)	working
we/you/they	are	(= we're etc.)	doing

B I **am doing** something = I started doing it and I haven't finished; I'm in the middle of doing it.

- Please don't make so much noise. I'm **trying** to work. (not I try)
- Where's Mark? He's **having** a shower. (not He has a shower)
- Let's go out now. It **isn't raining** any more. (not It doesn't rain)
- How's your new job? **Are you enjoying** it?
- What's all that noise? What's **going on**? or What's **happening**?

Sometimes the action is not happening at the time of speaking. For example:

Steve is talking to a friend on the phone. He says:

I'm **reading** a really good book at the moment.
It's about a man who ...

Steve says 'I'm reading ...' but he is not reading the book at the time of speaking. He means that he has started reading the book, but has not finished it yet. He is in the middle of reading it.

Some more examples:

- Kate wants to work in Italy, so she's **learning** Italian. (but perhaps she isn't learning Italian at the time of speaking)
- Some friends of mine **are building** their own house. They hope to finish it next summer.

C You can use the present continuous with **today / this week / this year** etc. (periods around now):

- a: You **'re working hard today**. (not You work hard today)
- b: Yes, I have a lot to do.
- The company I work for **isn't doing** so well **this year**.

D We use the present continuous when we talk about a change that has started to happen. We often use these verbs in this way:

getting, becoming	changing, improving
starting, beginning	increasing, rising, falling, growing

- Is your English **getting** better? (not Does your English get better?)
- The population of the world **is increasing** very fast. (not increases)
- At first I didn't like my job, but I'm **starting** to enjoy it now. (not I start)

2 Present continuous and present simple → Units 3-4 Present tenses for the future → Unit 19

BEGINNER TO ADVANCED

Do you need a robust, contextualized grammar coursebook with writing lessons?

- Grammar used in real-world speech and academic writing prepares students for success beyond English class.
- Special emphasis on written forms helps learners practice using the grammar in ways they will be expected to use outside of class.
- Multiple exposures to vocabulary selected from the Academic Word list helps rigorous development of vocabulary.
- Avoid Common Mistakes sections help students study and practice fixing the most common mistakes.

Free access to *Writing Skills Interactive*. See Page 62
