BASIC TO HIGH INTERMEDIATE

Designed for adult and young-adult learners, *Vocabulary in Use*, Second Edition, helps students develop their vocabulary with useful topics and language appropriate to each level. The second edition retains the hallmark feature of the *In Use* series: new language is taught in manageable two-page units, with presentation of vocabulary on the left-hand page and innovative practice activities on the right-hand page. The Basic Level teaches approximately 1,200 new vocabulary items, the Intermediate Level 2,500, and the High Intermediate Level 3,500. Firmly based on current vocabulary acquisition theory, this series promotes good learning habits and teaches students how to discover rules for using vocabulary correctly.

Vocabulary in Use can be used for self-study as well as in the classroom.
