Mimi's Wheel

NEW

CAROL READ

Mimi's Wheel is a 3-level course designed to give teachers all the tools they need to successfully manage groups of energetic pre-primary learners. With the engaging stories that pupils will instantly fall in love with, and the optimum Level of support, teaching becomes both effective and enjoyable.

With the unique *Hop on & Hop off* approach teachers can either *hop on* and follow the unit sequence as it appears in the course, or *hop off* to cover them in the order they choose, aligning the English course content to any first language syllabus. Adjusting the material to the number of contact hours and expected learner outcomes is also easy with the standard and Plus versions of **Mimi's Wheel** available, making the course fully flexible and reducing preparation time.

- Written by Carol Read, the award-winning young learners expert, **Mimi's Wheel** guarantees sound pedagogy that works in the classroom, with simple to implement teaching ideas that make learning fun for pupils and teachers alike.
- Engaging animated stories and videos featuring the adorable Meerkat family and real children help to prepare young learners for primary education and promote life skills and values such as 'sharing' or 'helping others'.
- With all resources in one place, available at a touch of a button, including *Tap & Teach* lessons powered by Navio, teachers can deliver clearly sequenced lessons requiring minimum preparation.
- A series of teacher training videos with demonstrations of classroom routines and tips equip both novice and more experienced teachers with instant skills and knowledge about teaching very young learners.
- Games and rewards in the Student App powered by Navio provide engaging language practice and also motivate pupils to learn English outside the classroom.

Doodle Town

CAROLINE LINSE, ELLY SCHOTTMAN, ANNE STRIBLING

Doodle Town is a captivating 4-level pre-primary course designed to stimulate the imagination of young learners and inspire learning through a range of visual, audio and hands-on activities.

Children explore English through movement, dialogues, stories, values and creative thinking tasks which are seamlessly integrated as part of the course methodology. A rich music programme consisting of 9 different kinds of songs, tunes, rhymes and chants supports lesson routines and improves retention of new language. This diverse pedagogical blend helps form well-rounded, confident and successful young learners of English, introduces them to collaboration, learner independence, problem solving, and encourages creativity.

Doodle Town was nominated as a finalist in the **British Council 2018 ELTon Awards** in the **Excellence in Course Innovation** category. Selected from over 110 ELT products, publications and services from around the world.

- Children explore English through music, movement, creative thinking tasks, dialogues and values, developing their language and building a wide skill-set to prepare them for academic success.
- A unique combination of Literacy Skills and Math Skills Pads allows children to reinforce new language, at the same time developing their mathematical and literacy awareness.
- *Let's Doodle* and *Let's Talk* activities introduce young learners to collaboration, learner independence and problem-solving, developing their communication skills and encouraging creativity.
- CLIL lessons, aligned to the *US English Language, Arts and Math Common Core Standards*, introduce language in a meaningful context and provide learners with useful academic, subject-specific language for the future.
- The Student Practice Kit, *Letter to Parents* and detachable parents' pages provide a strong school-home link so learning continues outside of the classroom.

Doodle Town

The title 'Doodle Town' is written in a large, white, rounded font with a thick yellow outline. A yellow pencil is positioned above the letter 'e' in 'Doodle', and a yellow sun with rays is positioned to the right of the word 'Town'.

Think

Support young learners' cognitive development through the dedicated maths and literacy focused lessons

Explore

Encourage children to learn about the world around them through science, maths, art, social studies and physical education

Create

Nurture imagination, memory, experience and observation to help children easily make learning connections through drawing and roleplay activities

Learn

Develop the whole child by fostering social, emotional, cognitive and physical development to give children the tools to succeed in the next stage of their education

Discover with Dex

SANDIE MOURÃO, CLAIRE MEDWELL

Discover with Dex is an award winning, 3-level pre-primary course teaching English through fun and discovery.

Dex, the friendly dinosaur, will become children's best friend as he brings magic and play into the classroom.

Discover with Dex utilises a variety of dynamic resources to help teachers create a supportive and positive learning environment for young children to enjoy playing in English. The songs, action videos, animated stories and Total Physical Response (TPR) activities provide regular opportunities for children to use the new language and help them develop their cognitive and fine-motor skills. The lovable *Dex the Dino* puppet will be a useful classroom assistant and learning partner; providing pupils with opportunities for developing their creativity, collaboration, critical thinking and curiosity.

- **Discover with Dex** won the *English Speaking Union (ESU) 2016 Award for Best Resources* and was nominated for *ELTons British Council Excellence in Course Innovation Award* in 2017.
- Young learners are immersed in English-speaking culture from day one with language-rich lessons full of real-world material developing authentic spoken English and promoting values.
- The Pupil's Book PLUS and the Literacy Book provide a springboard to developing additional skills through vocabulary extension, extra material and project work.
- The Teacher's *Presentation Kit* and *Resource Centre* ensure heads-up, engaging lessons and help teachers reduce preparation time.
- *Dex's Magic Phonics* is an innovative and easy-to-use tool developed to help teach literacy skills from an early age.

Bebop

LORENA PEIMBERT, MYRIAM MONTEERRUBIO

Bebop is a 3-level pre-primary course that teaches English in a playful way. Through pairing music and movement with language practice, young learners gradually gain confidence to communicate in English.

This course uses a multi-sensory approach to teach English language skills in a way that recognises different learning styles and engages more than one sense. **Bebop** adopts an innovative approach to Total Physical Response (TPR) activities, by introducing systems such as *American Sign Language* to support children in learning vocabulary in a highly kinaesthetic way.

L1 ► L3

- The *Bebop Band* characters bring language to life, engaging children in learning through stories and songs.
- Early literacy concepts are introduced in a familiar way through storytelling and songs, presenting language in a meaningful context.
- Children practise their skills collaboratively through videos, *Story Songs*, *Action Songs* and *Interactive Flashcards*.
- Fun activities in the *Bebop Band* app and *Parents' Guide* provide a way for parents to practise English with their child outside of the classroom.
- A dynamic component mix including a *Teacher's Resource Centre* and comprehensive *Teacher's Edition Pack* enables teachers to deliver lively and motivating lessons while considerably reducing preparation time.

Learning Stars

JEANNE PERRETT, JILL LEIGHTON

Learning Stars is a high-level pre-primary course that provides a solid introduction to communicative English along with building reading, writing and spelling skills, ensuring that children have the right capabilities to begin full-time schooling.

Learning Stars builds a foundation in English and other curriculum subjects, giving children the best start to primary school. The course has a lively drama and roleplay element to help young learners practise language in a memorable and fun way, as well as a strong assessment strand to support teachers as they review and check students' progress.

- Fun and humorous stories introduce language in an engaging way and the *Act It Out* sections allow children to gain confidence in communication.
- Cross-curricular pages in every unit link with a variety of science-based and other early years' topics and concepts exposing children to new vocabulary and broadening their view of the world.
- The phonics programme introduces the *Animal Alphabet Flashcards* to help children memorise initial letter sounds quickly and reinforce letter sound recognition with rhyming stories, songs and chants.
- The animated handwriting tool is a useful presentation aid for modelling correct letter and number formation.
- The *Maths Book* links to the topics and themes of the Pupil's Book and *Activity Book*, providing an introduction to and opportunity for practice of a range of early maths concepts in English.

Captain Jack

JILL LEIGHTON, SANDIE MOURÃO

Captain Jack is a 3-level course based on the adventures of a fun-loving parrot and his friends. It is designed to help pre-primary children become confident learners of English through engaging story-based activities.

- Children can familiarise themselves with real-world concepts through *My World* lessons, which are also designed to aid memory and retention.
- Unique *Press-outs* and *stickers* bring the adventures of **Captain Jack** to life, and are further supported through songs and interactive games that help children master the lesson material in a more multi-sensory way.
- Live action rhymes and sketches use mime gestures and sing-alongs to develop learners' motor and cognitive skills and help them practise correct pronunciation.
- A CLIL approach encourages learning across different subjects to help build confidence in relevant developmental areas.
- The *PLUS Book* provides 2 additional units with a cross-curricular content for classrooms with more teaching hours.

Hats on Top

CAROLINE LINSE, ELLY SCHOTTMAN

Discover, learn and grow with Hats On Top, the imaginative 4-level course that engages pre-school learners in active discovery of the world around them in English.

- Thanks to CLIL-rich content, while exploring each unit theme and building English language skills, children simultaneously gain knowledge of science, maths, social studies and art.
- Hands-on exploration through art projects and dramatic play such as roleplay, the **Hats On Top** wiggle songs and cut-out puppet conversations add a playful, kinaesthetic dimension to learning.
- The carefully planned programme of literacy and basic maths skills development, supported by *Early Letters* and *Early Numbers* parallel workbooks, helps children with print and sound awareness, and at the same time master mathematical concepts, geometric shapes and solve problems.
- The theme-related stories in each unit are provided in a *Big Book* format for the whole class to enjoy together, helping teachers focus students' attention and develop a love of reading.
- The *Teacher's Edition* provides detailed three-step lesson plans and with its simple and well-organized structure helps with classroom management and saves preparation time.
