Global Stage is a 6-level language and literacy course for young learners that helps them grow into competent speakers and writers of English, and caring, responsible citizens fully prepared to succeed on the global stage.

The course supports teachers in their efforts to equip children with the knowledge and skills which will empower them to succeed in the competitive world ahead. With **Global Stage** learners not only become competent and confident communicators in English but also systematically build Literacy, Self-Direction, Global Citizenship, Thinking and Social-Emotional skills which will enable them to become the leaders of tomorrow.

- A unique *Dual Approach* with two student books: Language Book and Literacy Book bringing together a rigorously benchmarked language learning syllabus with a diverse literacy programme ensures ample opportunities to present, practise and monitor language progress through a richer range of reading material with captivating artwork.
- With dedicated writing and speaking lessons **Global Stage** nurtures children to become competent speakers and writers of English so they can confidently engage with subject areas across the curriculum.
- Building on children's natural inquisitiveness, the course content provides structured opportunities to develop their Thinking Skills and understanding of the world.
- Drawing on the *Assessment for Learning* principles, the course encourages children to reflect on their own learning helping them to develop Self-Direction as a core skill allowing them to excel at the next stages of their education, career and life.
- *Tap & Teach* lessons available via Teacher App in Navio help to reduce lesson preparation time while game-based language and literacy activities on Student App provide essential extra practice, extending learners' contact with English outside the classroom.

RUNNER-UP

CAROL READ, MARK ORMEROD

Tiger Time is an imaginative and vibrant 6-level primary course that equips young learners with the language and skills they need to communicate confidently and competently.

Authored by Carol Read and Mark Ormerod, experts in teaching English to young learners, **Tiger Time** creates a positive learning environment and encourages children to work together as they discover new language, cultures and values. Exciting narratives and memorable characters, like the lovable Tiger character and the members of the *Tiger Tracks Social Learning Network*, create interest and keep children engaged.

- Children will learn through different genres of stories and reading texts as well as engaging roleplays, songs and games, developing language skills in a well-balanced and integrated way.
- *Learning to Learn* and *Thinking Skills* activities enable students to reflect and become better independent learners, as well as develop transferable skills for other areas of the curriculum.
- Learners develop and reinforce grammar through the integrated *Grrr is for Grammar* sections, while songs and craft activities enable memorable in-context learning.
- The extensive CLIL syllabus prepares students for cross-curriculum academic success in addition to building awareness about the world around them.
- The home-school link, consisting of the Student's Practice Kit, Progress Journal and Letters to Parents, takes learning beyond the classroom and encourages parents to participate in their child's English education.

Happy Campers

ANGELA LLANAS, LIBBY WILLIAMS, ANGELA PADRON, PATRICIA ACOSTA,
GABRIEL DIAZ-MAGGIOLI, LESLEY PAINTER-FARRELL

Happy Campers is a 7-level primary series that uses a unique musical programme to create a positive and memorable classroom experience while consolidating new language skills.

With a methodology centred on front-loading language presentation and musical imagery repetition, **Happy Campers** develops a child-centred community and encourages a positive attitude toward English language learning. Clear objectives, a gently paced syllabus and frequent practice opportunities make it easy for children to learn and consolidate English.

- Musical activities provide 'memory hooks' for vocabulary recall and retrieval, making new language easier to remember.
- The *Skills Book* further develops the four skills via *Picture Talk*, *Happy Reader*, *Happy Writer* and *Word Work* lessons that practise and help master selected key language.
- Regular project lessons develop children's creativity and collaboration skills, making their learning experience a richer, more positive one.
- A strong home-school link is built through the game-based *Inks App* which provides extra vocabulary practice at home.
- The *Flipbook* combines Student's Book and Activity Book material in one publication, ensuring that young learners always have practice activities at hand.

Macmillan English

MARY BOWEN, LOUISE FIDGE, LIZ HOCKING, WENDY WREN, PRINTHA ELLIS

Macmillan English is a 6-level primary course that nurtures non-native learners' speaking and writing fluency, bringing them on par with native speakers of English in the same age range.

Using participation-based learning such as shared listening and reading exercises, **Macmillan English** encourages children to work together, which helps build their confidence. Traditional EFL methods are reinforced with phonics and sentence-building activities, giving children who are adapting to English as a second language the tools they need to start mastering it.

- A range of course components, including *Language*, *Practice* and *Fluency* books helps children learn and practise new language in a variety of contexts.
- The course is perfect for schools working towards the Cambridge International Programme, and is mapped to the Cambridge English Curriculum.
- A range of games and class activities encourage participation and reinforce lesson work, with assets like posters and flashcards making learning more visual and memorable.
- The *Digital Student's Book* can replace all printed student components, allowing for more interactive, mobile learning.
- The *Teacher's Presentation Kit* includes digital editions of all coursebooks, as well as interactive audio activities and a *Test Resource Pack* for fast preparation.

The course uses established best-practice methodology to encourage effective classroom teaching. Active, whole-class learning is supported by a systematic approach with a key focus on developing the four skills. Levels 1 to 6 of **English World** bring classrooms together by promoting and rewarding active participation. Using material from the authors of best-selling courses *Way Ahead* and *Macmillan English*, children will reach a high Level of competency at a steady pace with plenty of room for practice and consolidation.

- Exclusive *Grammar In Conversation* modules introduce new language in meaningful contexts, from simple exchanges to complex conversations.
- Children can learn English through a range of age-appropriate topics, increasing their general knowledge through cross-curricular content.
- *Portfolio* and *Diploma* pages allow learners to keep a record of their achievements, actively encouraging them to learn more.
- A *Home-School Connect* programme takes learning beyond the classroom and enables parent-teacher interaction.
- Supplementary *Dictionary* and *Grammar Practice Books* consolidate classroom learning and enable self-study at home.

Brainwave

CHERYL PAVLIK, ANDREA HARRIES

Brainwave is a 6-level primary course that supports children in learning English through content developed in line with brain-based research. A media-rich blended solution further enhances the language learning experience in the classroom and at home.

Brainwave is designed to help children learn English through complex, meaningful and interactive activities. The photographic, thematic units, and the blend of online and offline materials help present topics and key language in a highly engaging way that will keep inquisitive children intrigued and motivated.

A1 ► B1+

- Key language and skills are presented and consolidated through sections such as *Grammar on the brain*, *Phonics Fun*, *Skill Builder* and *Talking Point*, which encourage students to practise and use English.
- The *Competency Focus* in the *Teacher Edition* highlights a selection of activities where competencies such as creativity, social responsibility, thinking skills, learner autonomy and collaboration are developed throughout the unit.
- Cross-curricular content on CLIL pages provides opportunities to learn about various subject disciplines and is further enhanced by supporting videos, simulations and projectable posters.
- The online *Homework Zone* for students contains reading mazes, language games and child-focused listening material which helps consolidate classroom learning.
- The content and media-rich *Technology Pack* including a *Progress Journal*, *Test Builder* and *Transition Pack* for each Level, equips teachers with functional assessment tools.

Footprints

CAROL READ, DONNA SHAW

- Each unit has an episodic story running through it, presenting young learners with fun puzzles to solve and encouraging them to think analytically.
- The *Footprints Club News Board* is used to introduce new vocabulary in an engaging and playful way, allowing learners to build up a record of all the new words they have learnt.
- Culture Corner* activities use classic rhymes, songs and games from across the English-speaking world to help children become confident about and familiar with cultural differences.
- A 24-page *Portfolio Booklet* allows children to keep a record of their learning, encouraging self-assessment and motivating them to learn more.
- A CLIL approach allows young learners to use English as a vehicle for discovery, increasing their knowledge and understanding of other subjects and real-world issues.
