## Day and night

Look out of the window.  
Can you see the sky?

The sky is blue. The sun is in the sky.  
It's day and warm. The sun is in the sky in the day. It's light.

Boys and girls are at school. But the hedgehog is sleeping.

Now look at the photo! What's that? It's the sky.

The sky is black. That is the moon. It's day and white. The moon is in the sky at night. It's dark.

Boys and girls are in bed. But the hedgehog isn't in bed. He's in the garden!

1 What's in the photo? Is it day or night? night

2 Listen and read. p. 100

3 Complete the table.

# All Together

## Authors:

**Jennifer Heath**  
**Michele Crawford**  
**Michael Gough**

**All Together** is an exciting six-level course that helps primary-age students learn English while discovering the world around them. Powered by National Geographic photographs and videos, All Together weaves the skill-building, grammar, and phonics young learners need into content-rich lessons and projects.

- ▶ National Geographic photography and videos motivate learners by bringing the world to the classroom
- ▶ Step-by-step language development gives learners essential skills, phonics, and grammar for real-world practice
- ▶ Wonderful World projects teach 21st century skills—communication, collaboration, critical thinking, and creativity
- ▶ Classroom eBook lessons put class structure and fun-filled activities at the teacher's fingertips
- ▶ Teacher's Resource Pack including an interactive classroom presentation tool and extensive assessment bank

"Our young learners love the **All Together** series. They are attracted by the characters in the books, amazed by real-life photos, and encouraged to speak more by all these audios, especially the songs. What's more, they don't get bored easily since the course covers a wide range of topics. This course surely helps the students progress in English, step-by-step."
