## GRAMMAR IN CONTEXT BASIC-3

### Fifth Edition

Sandra N. Elbaum

LEVEL: beginning to high-intermediate

Students learn more, remember more, and use language more effectively when they learn grammar in context. Grammar in Context, Fifth Edition presents grammar in interesting, informative readings and then recycles the language and context throughout every activity.

#### The fifth edition of Grammar in Context has MORE!

- ▶ MORE visual support offers an exciting, new full-color design to help students effectively navigate through the program.
- ▶ MORE connection between grammar and writing, demonstrated through writing models and enhanced by more editing practice, encourages the relevant application of target grammar points.
- ▶ MORE technology support for the teacher and student:
  - ✓ Online Lesson Planner offers time-saving solutions for the busy instructor.
  - ✓ Online Workbook features additional exercises that learners can access in the classroom, language lab, or at home.
- ▶ MORE contemporary and relevant readings like the Hudson River plane-landing, President Obama, and social networking, provide relatable and engaging topics.
- ▶ MORE accessible and contextualized grammar charts and presentations provide students with added clarity.

## GRAMMAR CAFÉ 1 – 6

LEVEL: low-beginning to advanced

Grammar Café is a revolutionary online grammar course that presents key grammar lessons on the computer with the help of animated text, graphics, and real-world conversations. The program features a three-step process with presentation, practice, and assessment to meet the needs of students in various courses. Featuring six levels with 20 units per level, Grammar Café represents approximately 120 hours of instruction.

### Grammar Presentation

A complete grammar lesson includes four parts:

- ▶ Introduction: presents topic through a practical situation.
- ▶ Dialogue: uses the grammar as used in context.
- ▶ Lesson: offers an animated explanation of the structure with voice-over guidance.
- ▶ Chart: reviews the grammar structure in a summative, printable format.

### Learning Activities

- ▶ Four activities allow for both form-focused and open-ended grammar practice.
- ▶ Most results are instantly graded.
- ▶ Open-ended listening and speaking activities are recorded and sent to the instructor for evaluation.

### Self-Check Quiz

- ▶ Questions confirm that the learner has grasped the grammar concept beyond just the form.
- ▶ Results are instantly graded.

## PRACTICAL GRAMMAR 1-3

David Riley and John Hughes

LEVEL: high-beginning to intermediate

Each of the two levels of Practical Grammar has 100 units, divided into modules of five units. Each module examines a particular area of grammar. The grammar is set in short, everyday conversations or texts, showing the language in natural situations which students will find engaging and can relate to. Students then examine the form, meaning and use of the language before practicing it in a variety of activity types.

A Review section concludes each module and regular tests check students' progress.

Each level comes with two audio CDs and a pin code, which allows access to MyPG for extensive additional online practice for use at home or in self-access centres.

- ▶ Real language in natural situations: exposes students to grammar at work.
- ▶ Listening and pronunciation: two audio CDs provide listen and check support and key pronunciation of the grammar items.
- ▶ Key vocabulary: high frequency words and expressions in each unit.
- ▶ Tips: highlight common errors and characteristics of English Grammar.
- ▶ Regular review and progress tests: give students the opportunity to check their learning.

### MyPG Online

- ▶ Each level of Practical Grammar comes with a pin code, which allows access to MyPG
- ▶ MyPG provides extensive additional online practice for use at home or in self-access centres.
