

# Macmillan English Quest

Find your way in English

**Jeanette Corbett and Roisin O'Farrell**

Offering a fun and gentle introduction to English, this story-based series takes children on a voyage of real-world discovery.

## Key benefits include:

- a gentle introduction with reading and writing introduced from level 2
- phonics activities introducing and practising letters and sounds
- CLIL lessons develop language in the context of other primary subjects
- **Animated Stories** and **Songs CDs** bringing the stories to life with extra activities, songs and games that can be done either in class or at home.
- a projectable Digibook packaged with the **Teacher's Book**

# New Finding Out

Putting children first

**David Paul**

Building on its popularity in Asia, this best-selling five-level course has been thoroughly updated - keeping all the popular elements of the original series, and adding new features to make it more exciting and easier to use for both learners and teachers.

## Key benefits include:

- a truly child-centered approach where children are encouraged to discover and notice how language works
- a tried-and-tested approach to phonics designed to meet the needs of young Asian learners
- a balanced development of all four language skills, including meaningful conversation patterns that encourage children to talk
- activities which motivate children to use English to discover the world outside the classroom

## Smile

Keep smiling!

**Gabby Pritchard and Sue Mohamed**

Encouraging children to explore English and gain confidence, this best-selling, six-level course will give you and your learners something to smile about!

### Key benefits include:

- carefully sequenced units, beginning with a story and ending with a fun, catchy song
- a gently graded syllabus including dialogues, games, puzzles, stories and songs to give children a sense of achievement
- fun phonics activities in every unit, helping young learners develop accurate pronunciation and spelling
- additional, beautifully designed teaching resources to help consolidate learning and motivate learners

### Course components include:

- My Progress Diary and colorful Vocabulary Stickers in the back of each **Student's Book**, providing children with hands-on, personalized practice activities
- an **Activity Book** to consolidate learning and practise writing skills
- large, glossy **Flashcards** and a complete **Poster and Games Pack**, accompanied by helpful teaching ideas
- fantastic teacher support to plan lessons and evaluate progress in the full-color **Teacher's Edition** and **Teacher's CD-Rom**

Reduced pages from **Student's Book 1**

*The new Smile series, with its language recycling and fun-based activities, is an effective way of helping children become more interested in language learning.*

# Bounce Now

It's here. It's now.

**Lulu Campbell, Julie Kniveton and Angela Llanas**

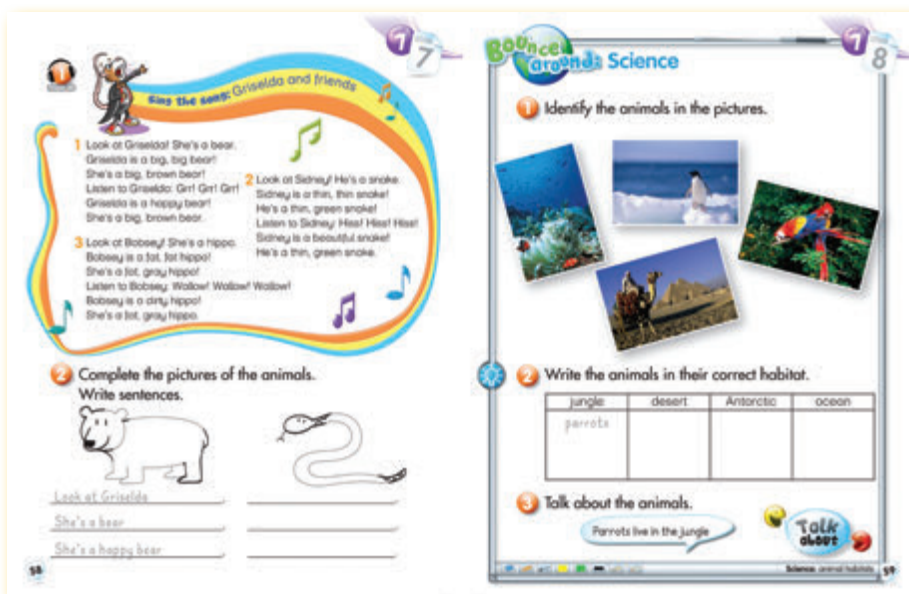

Maintaining the essence of the highly successful Bounce series, Bounce Now brings the learning of English up-to-date. Key additions include a new starter level, providing dual entry points, plus additional materials for both learners and teachers, including new digital components which reflect recent advances in technology and English language teaching.

**Key benefits include:**

- a new starter level focusing on developing listening and speaking skills for students who have had little previous exposure to English
- a balanced four-skill approach in levels 1 to 6 providing learners with a foundation in the basics of the language
- 'Talk Time' and 'Talk about...' sections which provide personalized speaking practice of the new language in controlled contexts
- new 'Bounce around...' cross-curricular lessons linked to the theme of each unit

New Edition

Reduced pages from **Student's Book 2**

*Bounce Now is a book for kids NOW as it not only develops their English communication skills but also their 21st century skills such as collaboration, problem-solving, creative thinking and values, to mention but a few.*

## Next Move

New Edition

*Amanda Cant, Mary Charrington and Viv Lambert*

Recognizing the importance of the child's own world, Next Move is a digitally enhanced edition of the popular series Next Stop. Now with seven levels, the course continues to welcome the children aboard a language-learning and cultural journey to build not only their language awareness, but also their cross-cultural awareness.

### Key benefits include:

- strong visual appeal including extensive use of photographic images
- striking opening pages, featuring interesting facts from countries around the world
- building cross-cultural awareness by comparing and contrasting new places with the children's own experiences
- non-fiction reading passages are presented in 1st grade and continue throughout the entire series
- a complete phonics syllabus to aid reading and pronunciation
- values-based stories with additional Values Projects in the Workbook

### New components include:

- a new Starter level to help accommodate younger / lower level learners
- **Student's DVD-ROMs** featuring homework language practice activities for every lesson as well as original videos and complementary interactivities, phonics animations and an enhanced parents area
- a new **Interactive Classroom DVDs** for teachers including videos, presentation support tools for phonics and grammar, and projectable versions of the Student's Book and Workbooks
- a new **Teacher's website** with a host of support tools and knowledge-building materials for teachers

Reduced pages from **Student's Book 1**

**Unit 10 Lesson 5**

**Vocabulary**

1 Listen and repeat.

2 Listen and guess.

3 Draw and say.

This is my house. The bed is in the bedroom. The book is ...

**Unit 10 Lesson 6**

**Grammar**

Where's the cat? It's in / on / under the closet.  
Where are the birds? They're in / on / under the tree.

1 Listen, read, and say.

2 Complete the sentences.

1 \_\_\_\_\_ the cat?  
\_\_\_\_\_ in the yard.

2 \_\_\_\_\_ the chairs?  
\_\_\_\_\_ in the kitchen.

3 Look at Activity 1. Play the Memory Game.

Where's the table?  
It's in the yard.

Reduced pages from **Student's Book 1**

**Unit 10 Lesson 7 Japan**

Let's visit ...

1 Read about a house in Japan.

I'm in Osaka, and I'm from Osaka in Japan.

This is my house. We have two bedrooms, a bathroom, a living room, a kitchen, and a garden. Gardens are very popular in Japan. This is a picture of our traditional garden. There are trees, but there aren't flowers. Look at the closet! It's beautiful here. Do you have a garden?

**Think Twice**

- How many rooms are there in Oscar's house?
- Imagine you're in the garden. I can see \_\_\_\_\_ I can hear \_\_\_\_\_

**Lesson 8**

1 Draw, color, write, and say.

This is a traditional house from my country.

**Two Friends**

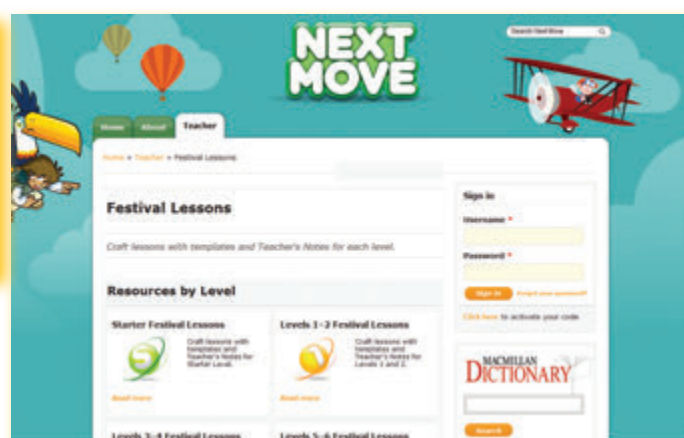

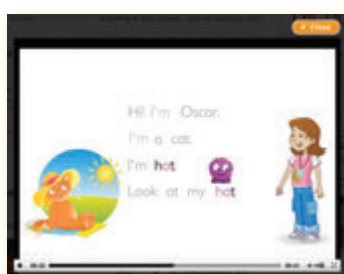

1 Complete the conversation. Choose your response.

Welcome to my home!

Thank you. This is nice.

2 Act out the conversation.

**Teacher's Resource site**

- Games Resource Pack
- Audio Resource Pack
- Grammar Resource Pack
- Festival lessons
- Lesson Planning and course preparation resources
- Testbuilder and prewritten tests

## Jump

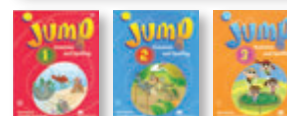

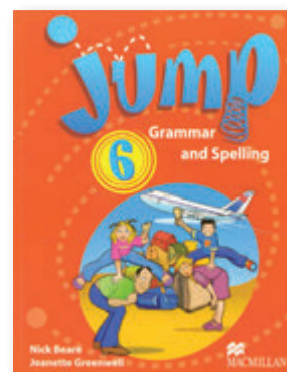

Grammar and spelling

*Nick Beare and Jeanette Greenwell*

Ensuring extensive practice of basic structures and systematic vocabulary development, this six-level American-English primary course is an ideal grammar complement to any primary series.

### Key benefits include:

- helpful 'Grammar Boxes' with clearly presented tips
- a unique 'Spelling Routine' which provides strategies to improve spelling skills
- an exciting 'Fun Page' in every unit to stimulate children's imagination

*It's great for kids in an EFL surrounding. It offers simple, reliable examples in real English, but is also full of challenging exercises to make kids think.*

**Kate Kim,**  
Supervisor,  
Avalon English,  
South Korea

# See Saw

Make a world of difference

**Amanda Cant and Kathryn Harper**

Captivating your students' imagination through magical stories and leading them to new and exciting worlds, this balanced, six-level course will make the world of difference to your English class!

### Key benefits include:

- an imaginative storyline for each level, engaging learners in using everyday English in exciting, new situations
- simple, clearly-structured learning tasks providing support for both learners and teachers
- memorable grammar cartoons, games and chants to make learning new structures fun and easy
- a carefully graded phonics syllabus designed to meet the needs of learners in Asia

# Twist and Shout

Put a new spin on learning English

**Viv Lambert**

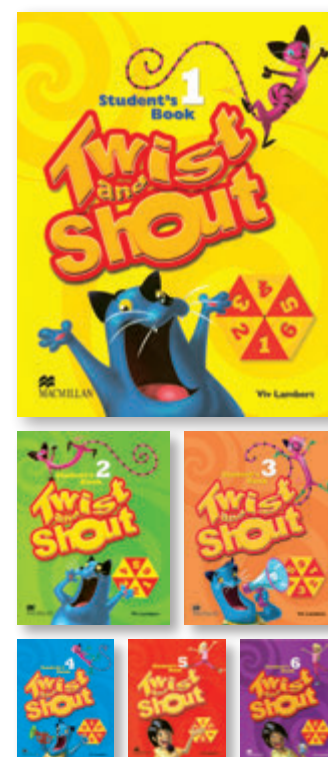

Moving children's minds, bodies and emotions, this carefully graded six-level primary series in American English recognizes children's natural energy and is designed to promote language learning through movement and play.

### Key benefits include:

- 'Student Twister' and 'Teacher Twister' which are fun classroom management tools
- beautiful illustrations with characters that bring English to life
- an introduction to core values through English

### Course components include:

- a comprehensive **Homework Book** which comes with an audio CD including dictations, songs and stories
- a supportive interleaved **Teacher's Edition** with step-by-step lesson notes and photocopiable unit tests
- supplementary **Teacher's Visual Pack** which includes picture cards and picture posters to support vocabulary presentation and oral practice
- a **Teacher's Resource CD** which includes Project Time activity sheets, festival lessons and extra tests

## Fantastic!

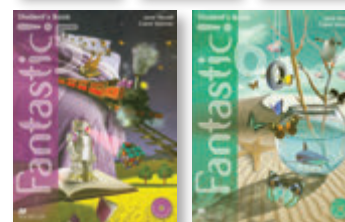

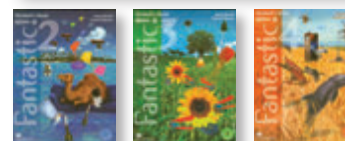

Learn English the fantastic way!

**Jane Revell and Carol Skinner with Nick Beare and Rachel Finnie**

Combining a structured syllabus and an appealing design, this six-level primary course brings the learner and the target language together in a clear, controlled way.

### Key benefits include:

- gradual, systematic development of reading, writing, listening and speaking skills, making a complete four-skill course
- extensive listening and speaking skills practice, along with fun pronunciation activities
- a cross-curricular lesson per unit, allowing children to use new language across a variety of different subject areas including history, math and social studies
- helpful extension materials in the **Student's Book Pack**, including a **Values Booklet** to raise learners' awareness of their social roles and responsibilities, and **Grammar Resource Pack** to practise sentence building

*Fantastic is colorful and engaging with modern illustrations and interesting, topical material.*

**Neil Gibson,**  
Global Language School,  
South Korea

## Big Bugs

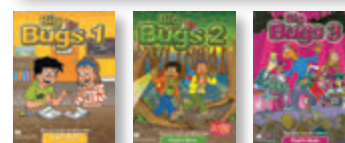

English through stories

**Elisenda Papiol, Maria Toth, Carol Read and Ana Soberón**

Engaging learners through a story-based approach, this four-level primary course develops as students develop, thus maintaining the learners' interest in English.

### Key benefits include:

- stories follow the adventures of Spike the Spider and his friends
- cross-curricular topics and projects introduced at the higher levels
- colourful **Flashcards** and **Story Cards** help present and review key vocabulary

# All Aboard!

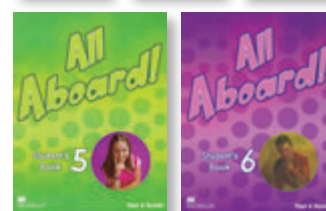

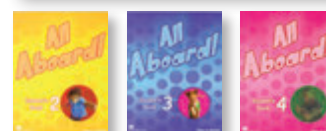

Get ahead of the rest

**Paul A. Davies**

Providing a systematic, cross-curricular approach to learning English, this comprehensive six-level course is designed for situations where students study English intensively.

## Key benefits include:

- bright, attractive unit openers that highlight key vocabulary
- imaginative stories, songs, poems and chants to contextualize and consolidate new language
- controlled language-practice activities to ensure a solid foundation and on-going progress in English
- systematic coverage of phonics using tongue twisters
- interesting puzzles, projects and tasks to develop creativity and problem-solving skills
- a supportive **Workbook**, with projects, puzzles, stories and quizzes
- an interleaved **Teacher's Edition**, with clear lesson notes, answer keys, grammar references and photocopiable activities
- a cross-curricular **Poster Pack** to broaden knowledge and vocabulary

# Jump Aboard

**Paul A. Davies**

A British English edition of the popular All Aboard! series, offering the same benefits. Controlled language-practice activities ensure a solid foundation and ongoing progress in English while "Your Page" encourages independent learning and end-of-unit stories encourage reading for pleasure.

## Key benefits include:

- systematic coverage of phonics and spelling
- songs, poems and chants developing natural intonation
- interesting puzzles, projects and tasks developing creativity and problem-solving skills

## Brainwave

Think in English

Cheryl Pavlik and Andrea Harries

New Edition

Offering students and teachers lots more to think about, this new edition of Brainstorm maintains and enhances its challenging approach to developing young learners' language skills. The series has been updated significantly both in terms of content and design, and now also offers up-to-date digital support to both students and teachers.

### Key benefits include:

- **CLIL** sections in each unit with clear links to curriculum subjects including Natural Science and Maths
- 'Thinking Point' at the beginning of every unit, encouraging thinking skills
- 'Talking Point' at the end of every unit for children to assess what they have learnt
- 'Skill Builder' section for every reading lesson introducing children to key reading strategies
- Brand new design inspired by first language teaching materials

### Course components include:

- a **Student's Book** packaged with a **Progress Journal** to help students reflect on the learning process and become more independent
- a **Language Activity Book** to consolidate learning of key language and skills
- a **Teacher's Edition** with clear, procedural notes on how to make the most of the Brainwave course
- a **Teacher website** with a lesson planning tool and extra resources such as a Methodology Handbook, Extended Teacher's Edition and a **Grade Book** to monitor students' progress
- a **Teacher's Tech pack** with class audio, projectable Student's Book and Language Activity Book pages, and interactive activities including simulations and projectable posters to support classroom teaching

### Teacher's Resource site

- Testbuilder
- Transition Pack
- Wordsearch Maker
- Extended interactive Teacher's Edition
- Spelling Bee Handbook

# Footprints

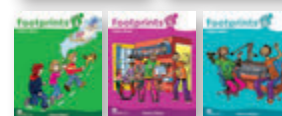

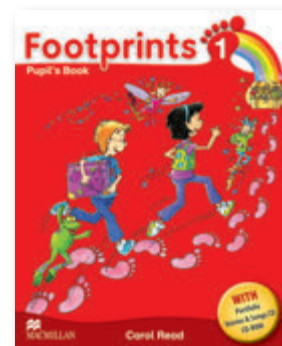

Find your way in English

**Carol Read**

Offering young children a path to study English, this six-level series meets the needs of both teachers and learners through its beautiful illustrations and engaging activities.

## Key benefits include:

- a strong emphasis on cross-curricular content
- fun stories that develop with learners through the six levels
- clues and riddles that keep students guessing what will come next
- clear links to Cambridge ESOL YL exams
- additional photocopiable materials including worksheets for mixed-ability classes
- **Digital Books** for use in the classroom on IWBs or with a computer and projector

# Beeline Plus

With more buzz than ever!

**Julie Kniveton, Angela Llanas and Libby Williams**

Taking children from beginner to a high-intermediate level, this comprehensive six-level course combines solid language practice and captivating activities to keep your classes buzzing!

## Key benefits include:

- carefully balanced units which blend new and recycled language, producing real language results
- unique 'Spelling Bee' and 'Buzzwords dictation' sections to provide spelling, vocabulary and listening skills practice
- cross-curricular projects in interesting 'Be Wise' sections, linking unit topics and new language to the world outside the classroom
- beautifully illustrated vocabulary, stories, songs and activities in every unit
- a series of 12 **Beehive Readers** thematically linked to the course with a fiction and non-fiction book at each level

## English World

A world of English in your classroom

*Liz Hocking, Mary Bowen and Wendy Wren*

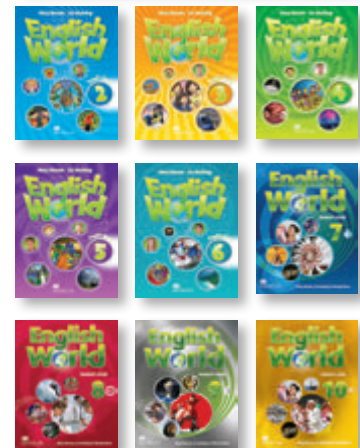

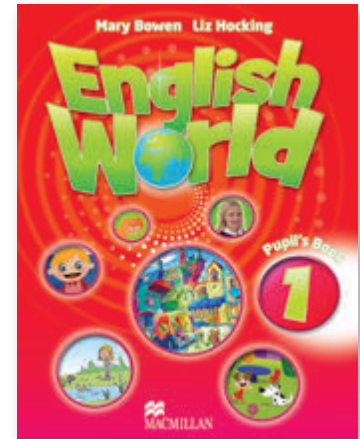

Engaging learners with beautiful visuals, this series now offers eight levels providing children with a seamless foundation in English from primary through to lower secondary. English World successfully combines best-practice methodology with innovative features for the modern classroom.

### Key benefits include:

- a methodology that encourages active learning
- informative cross-curricular and cross-cultural content
- a unique series that develops with learners as they progress through their primary to lower secondary years
- stories, topics and projects that promote social values
- a systematic phonics syllabus in the **Pupil's book, Workbook** and **DVD-Rom**
- a fully integrated skills syllabus that develops all four skills

### Course components include:

- **Workbook** that includes the development of study skills
- **Grammar Practice Book** that provides extra grammar consolidation and practice
- a **Teacher's DVD-Rom** which can be used on Interactive Whiteboards or a computer
- **Flashcards** to introduce vocabulary at the lower levels
- **Posters** that help bring the course alive in class
- a **Dictionary** at each level to help vocabulary learning and promote learner independence

Screenshot of **DVD-Rom**

*English World offers a very supportive and well-planned programme that is visually impressive. The resources are excellent and the pupils have great enjoyment working through the material. The range and types of topics covered are very appropriate for pupils learning English as a second language.*

**Joseph Pine,**  
Deputy Headteacher, Annuaay Silpa School,  
Thailand

# Selections

## Choose reading

Guiding students towards becoming successful readers, the new edition of this popular reading series retains the engaging texts from the original edition and now incorporates comprehension activities. Selections exposes students to a wide variety of text types and helps develop a lifelong love of reading.

### Key benefits include:

- a range of motivating and beautifully illustrated texts
- activities to aid comprehension and encourage creativity and thinking skills
- an **Audio CD** with recordings of all the reading texts
- an expanded **Teacher's Edition** which contains additional ideas for exploiting the texts and support for developing reading strategies as well as incorporating other skills, such as process writing and listening for specific information

*Selections is a terrific series... well organized, well informed and really well thought out.*

*Sue Jo,  
Woongjin Think Big,  
South Korea*

# Macmillan Foundation Skills Series

Louis Fidge

This is a six-level stand-alone series of carefully graded books on reading and writing which can complement any children's series.

### Key benefits include:

- the Reading Comprehension series, introducing children to a wide range of text types, including fiction, fact and poetry, with exercises at text level, sentence level and word level
- the Writing Composition series, focusing on teaching handwriting and graded compositional skills

Reading Comprehension	Level 1	Level 2	Level 3	Level 4	Level 5	Level 6
Pupil's Book	978 0333 77680 3	978 0333 77681 0	978 0333 77682 7	978 0333 77683 4	978 0333 77684 1	978 0333 77685 8
Teacher's Book	978 0333 79758 7 (Levels 1 and 2)		978 0333 79760 0 (Levels 3 and 4)		978 0333 79761 7 (Levels 5 and 6)

Teacher's Book	978 0333 79751 8 (Levels 1 and 2)		978 0333 79753 2 (Levels 3 and 4)		978 0333 79755 6 (Levels 5 and 6)	

## Macmillan English

A masterclass in primary English

*Mary Bowen, Liz Hocking, Wendy Wren, Printha Ellis and Louis Fidge*

Offering a unique approach for young learners striving to become bilingual, this series is based on how English is taught to native speaking children yet provides support for EFL / ESL learners.

### Key benefits include:

- systematic preparation for English medium education
- a reading and writing syllabus informed by the UK national curriculum
- an impressive range of beautifully illustrated integrated components
- a **Fluency Book** that presents the topics and language through an 18-episode story developing listening and speaking
- a **Language Book** which extends the language introduced and develops reading, writing and grammar through rich cross-curricular content
- a **Practice Book** now packaged with a Multi-Rom, offering consolidation and individual writing tasks
- an accompanying reading scheme, Macmillan English Explorers (see page 27)

# Macmillan Mathematics

Integrating language and content

*Paul Broadbent*

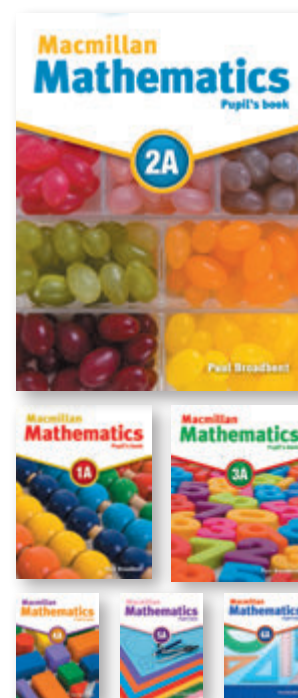

Offering a complete mathematics curriculum for primary ESL learners, this innovative series is written by experts in the field and is based on thorough research.

## Key benefits include:

- systematic coverage of the primary mathematics curriculum
- one concept per lesson to ensure pupils fully assimilate what is being taught
- clear, concise explanations of key concepts with a wealth of examples and practice
- tasks that help apply what is being learnt to the real world
- an 'Assessment' activity at the end of each unit to check understanding

## Course components include:

- an **A** and **B Pupil's Book** at each level, with a CD-Rom packaged with Book A, containing 90 additional practice activities supporting both books
- a **Teacher's Book** with comprehensive support for teaching the course

Macmillan Mathematics	Level 1	Level 2	Level 3	Level 4	Level 5	Level 6
Pupil's Book A + CD-Rom Pack	978 0230 73287 2	978 0230 73288 9	978 0230 73289 6	987 0230 73290 2	978 0230 73291 9	978 0230 73292 6

# Macmillan Science

Integrating language and content

*David Glover and Penny Glover*

Following current best practice in science education, this series offers carefully graded materials for ESL learners which develop a sound framework of scientific knowledge and understanding.

## Key benefits include:

- an investigative hands-on approach to learning through practical activities and key word boxes to help build learners' subject-specific vocabulary
- a **CD-Rom** for each level with over 100 extra practice activities and simulated experiments

Macmillan Science	Level 1	Level 2	Level 3	Level 4	Level 5	Level 6
Pupil's Book + CD-Rom Pack	978 0230 73293 3	978 0230 73294 0	978 0230 73295 7	987 0230 73296 4	978 0230 73297 1	978 0230 73298 8

## Macmillan Natural and Social Science

Joanne Ramsden, Helen Sanderson

This six-level course provides systematic development of English language skills alongside science, history and geography content. Context-specific language is integrated into each topic and summarized at the start of each unit and lesson. Varied activities smoothly integrate the four skills of speaking, listening, reading and writing.

### Key benefits include:

- carefully graded language and vocabulary introduced within the science context with content-based songs, raps and stories
- picture dictionaries included in the **Pupil's Books** and **Flashcards** covering key vocabulary in levels 1 and 2
- revision pages, with a self-assessment section, reviewing the main concepts and language of each unit
- Interactive Whiteboard Material** including slide presentations, animations, simulations and interactive posters
- Audio CDs** packaged with the **Pupil's Books / Activity Books** include songs and vocabulary
- Photocopiable Resources CDs** contain worksheets, tests and word cards

Macmillan Natural and Social Science	Level 1	Level 2	Level 3	Level 4	Level 5	Level 6

\*For levels 1 & 2 the Audio CDs are packed with the Pupil's Book; For all other levels they are packed with the Activity Book.

## Macmillan Factual Readers

Allowing young learners of English to explore a variety of fascinating real-world topics, this six-level series provides a natural bridge to studying curriculum subjects in English. The readers are beautifully designed with striking photographs and illustrations.

### Key benefits include:

- a natural way to learn about the world and subject specific vocabulary
- non-fiction texts that will appeal particularly to reluctant readers
- increased challenge compared to our Macmillan Children's Readers
- teaching notes, audio files and exercises available to download

Macmillan Factual Readers*

# Young Learners English Practice Tests

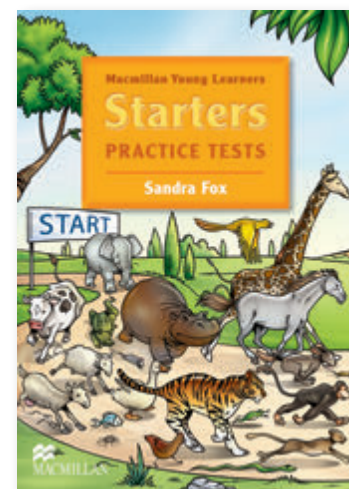

Fostering a positive experience

**Sandra Fox and Bryan Stephens**

Helping young learners prepare for the Cambridge ESOL Young Learners English tests, these beautifully illustrated practice tests will build up students' confidence and test-taking skills.

## Key benefits include:

- four complete practice tests for each level of the YLE tests, covering the four skills
- written by very experienced teachers/teacher trainers and examiners
- a unique double-page spread 'speaking picture' giving authentic exam practice, with added value in the classroom
- easy-to-use downloadable Teacher's Notes guiding teachers through the exam, providing extra activities and ideas for presenting and practising language, and reflecting the positive ethos of the exam - available from [www.macmillanenglish.com](http://www.macmillanenglish.com)

Young Learners English Practice Tests	Starters	Movers	Flyers
Student's Book + Audio CD Pack	978 0230 41225 5	978 0230 40997 2	978 0230 40707 7

# Young Learners English Skills

**Sandra Fox**

Providing structured practice of the grammar, vocabulary and skills needed for the Cambridge ESOL Young Learners English tests, these books help prepare students for the Starters, Movers and Flyers tests.

## Key benefits include:

- structured practice building towards Young Learner test requirements at each level with incremental development throughout the books
- lively, colourful material that young learners can relate to and enjoy
- comprehensive Teacher's Notes with extra material for consolidation plus a Test Generator and additional online resources

Young Learners English Skills	Starters	Movers	Flyers

# Macmillan English Explorers

Increasing children's desire to read, this eight-level reading series can be used alongside any primary course.

## Key benefits include:

- a variety of text types such as mystery, suspense, action, adventure, rhymes, poetry, children's classics and non-fiction
- vocabulary informed by the UK National Literacy Strategy
- **Phonics Workbook** to help children become better readers, writers and spellers
- **Phonics Readers** to develop phonic awareness and help build reading and pronunciation skills
- **Comprehension Workbook** for each level to give children extra practice
- **Big Book** available for some low-level titles
