

## A new edition of Raymond Murphy's best-selling elementary grammar book

### Essential Grammar in Use

Fourth edition

Raymond Murphy

ELEMENTARY TO PRE-INTERMEDIATE

*Essential Grammar in Use Fourth edition* retains all the key features of clarity and ease-of-use that have made the book so popular with learners and teachers alike.

A fresh new design, with revised and updated examples, makes the book even more accessible. For the first time the printed book is also being made available with an interactive ebook version, ideal for learners who want the flexibility of studying with both print and digital content.

Designed to be flexible, the fourth edition is available both with and without answers, making it ideal for self-study, but also suitable for reinforcement work in the classroom.

An *Essential Grammar in Use Extra Activities* mobile app and *Essential Grammar in Use Supplementary Activities Third edition* book are available separately for learners seeking extra practice of the grammar covered at this level.

- Two-page units in an easy-to-use format, with clear explanations of grammar points on each left-hand page and exercises to check understanding on the right.
- Study Guide helps learners to identify the most useful language areas to study.

BEGINNER TO ADVANCED

WINNER British Council ELTons Awards

*Grammar and Beyond* teaches the grammar students need most, thanks to the billion-word collection of authentic language – the Cambridge English Corpus.

The four-level series places special emphasis on grammar for writing. As they prepare to write, students practise editing common mistakes – based on an extensive corpus of student writing. Then they apply the grammar in a writing task, making a clear connection between what they study and how they write.

**Real-World Contexts**

- Students learn each structure in the context in which it most commonly appears illustrating authentic usage.

**Real-World Application**

- Students practice using the grammar in ways they will be expected to outside of class – with a special emphasis on written forms.

**Real-World Writing**

- Grammar is connected to writing through analysis of the most common ways that writers actually use the grammar.

**How Grammar Really Works**

- Students learn key differences between spoken and written English, as well as the most common structures.

**Online Workbook**

- Add hours of automatically graded grammar practice with the Online Workbook.

**Enhanced Teacher's Manual**

- Enhanced Teacher's Manual with customizable tests, communicative activities, presentations, and more.

**Writing Skills Interactive**

- Help your students become better writers with automatically graded practice of the writing skills they need.

**Grammar in the Real World**

Each unit presents the grammar in a realistic context, using intriguing, contemporary readings

## English Vocabulary in Use

Elementary, Upper Intermediate and Advanced: Michael McCarthy and Felicity O'Dell with Geraldine Mark and Lynn Townsend

Pre-intermediate and Intermediate: Stuart Redman with Lynda Edwards

ELEMENTARY TO ADVANCED

Ideal for classroom use or self-study, these popular titles are specially designed to boost learners' confidence along with their vocabulary skills.

All four *English Vocabulary in Use* books follow the popular two-page unit format with clear explanations on the left page and practice activities on the right. They are informed by the Cambridge English Corpus to ensure that all the vocabulary studied is useful, up to date and presented in a natural context.

## Vocabulary in Use

Basic: Michael McCarthy and Felicity O'Dell with Randi Reppen

Intermediate: Michael McCarthy and Felicity O'Dell with Lawrence J. Zwier

High Intermediate: Michael McCarthy and Felicity O'Dell with John D. Bunting

BASIC TO HIGH INTERMEDIATE

Designed for adult and young-adult learners, *Vocabulary in Use*, Second Edition, helps students develop their vocabulary with useful topics and language appropriate to each level. The second edition retains the hallmark feature of the *In Use* series: new language is taught in manageable two-page units, with presentation of vocabulary on the left-hand page and innovative practice activities on the right-hand page. The Basic Level

The substantial CD-ROMs reinforce key vocabulary with lively, interactive activities, and extra exercises give further practice of key words and phrases.

- Vocabulary presented in context with lots of practice activities.
- Informed by English Profile to ensure coverage of all key words and phrases appropriate at each level.
- Common mistakes feature, informed by the Cambridge English Corpus, helps learners to avoid common errors.
