

English as a Second Language (ESL)

At Cambridge University Press we provide resources to support you and your pupils for English as a Second Language on their journey from Primary Level through to IGCSE.

Beginning with our *Cambridge Global English* primary materials (Stages 1-6) we provide the tools to help children prepare for challenges of the future, following the Cambridge Primary ESL curriculum framework. Our support continues into lower secondary with our *Cambridge Global English 7-8* and *Introduction to English as a Second Language* series, which support the Cambridge Secondary 1 ESL curriculum framework.

At IGCSE level, we offer a range of resources to support all kinds of learners! *Cambridge IGCSE® English as a Second Language* (Fourth edition) series is endorsed by Cambridge International Examinations and offers clear and practical support for students and teachers. *Success International English Skills for Cambridge IGCSE®* (Third edition) is designed to give students further practice and support when studying for the Cambridge IGCSE in English as a Second Language. We also have upcoming titles to support core level students as well as practice tests and professional development titles for teachers.

Cambridge Global English

Cambridge Global English is a lower Secondary course which follows the Cambridge Secondary English as a Second Language Curriculum Framework developed by Cambridge English Language Assessment. Offering a language-rich approach to learning English it has been specifically created to support ESL learners worldwide.
