PRE-SCHOOL

SUSAN IANNUZZI

A course for very young children who do not read or write. It develops vocabulary, introduces phonics, and teaches numbers.

Little Friends can either be used as the starter level for *First Friends* or as a stand-alone course. Combine it with *Family and Friends* to make a delightful nine-level course.

- Friendly, visually appealing characters introduce language in familiar contexts.
 - Lots of tracing practice to develop pre-writing skills.
 - Numeracy syllabus teaches numbers 1–10.
 - Specially designed phonics programme to introduce English sounds in a simple and fun way.
 - Clear lesson objectives and one page per lesson.
 - Extra photocopiable material in the Teacher's Book includes additional vocabulary, phonics, and numbers activities that students can show parents.
 - Values, taught through stories in a family setting, help students develop social skills.
- iTools with Class Book and Activity Book pages, audio, pop-up flashcard presentations, and resource bank.

Playtime **NEW**

🏆 **Finalist British Council Innovation Award 2012**

PRE-SCHOOL

CLAIRE SELBY

A unique multimedia story-based approach with a real-world feel.

Playtime is a three-level course with stories that focus on the real world through the eyes of four child characters that young learners will relate to. Its fantastic set of resources will appeal to all learner types, and add variety and pace to every class.

- Stories are told through different media – Big Story Books and animations with integrated story songs on the DVD and Class CD – to provide repeated contact with the language in an entertaining way.
- Cross-curricular lessons are presented through photographic flashcards and real-life footage of British children on the DVD.

Start to learn real-life English the Playtime way!

- Caters for every class situation with a multi-component, flexible package – DVD, three Big Story Books, Pocket Poster, Routine Poster, Reward Stickers, Photocopy Masters Book, Flashcards, Audio CD, and a monkey puppet.
- The Workbook gives extra lessons and even more opportunity to practise and do.
- *Playtime* Website with support for teachers and parents helps involve families in the child's learning.
- *Playtime* iTools puts the Class Book with audio and flashcards on screen, making lessons even more interactive.

Everybody Up

Second Place/Ancillary Series School Publishing
The Book Industry Guild of New York

BEGINNER TO ELEMENTARY

PATRICK JACKSON, SUSAN BANMAN SILECI, KATHLEEN KAMPA,
AND CHARLES VILINA

Bring excitement to your classroom with *Everybody Up*, the seven-level course that motivates children by linking the English classroom to the wider world.

Everybody Up encourages children to use language in a natural and meaningful way by connecting English to their own lives. The more links you make, the more children are likely to remember. It's the way they naturally learn.

- Children connect with the *Everybody Up* friends, who motivate them to speak English.
- Colourful cross-curricular lessons provide practical links to other school subjects such as math, science, and art.
- Great songs by award-winning songwriters keep children practising English – even at home.
- Fun stories from real life highlight universal values such as being kind and polite.
- Children get lots of practice for standardized tests, such as the Cambridge English: Young Learners test, through the Test Center CD-ROM (Teacher's Book Pack) and skills focus in Levels 5 and 6.

iTools

Digital resources for use with interactive whiteboards, data projectors, or computers.

- Student Book and Workbook on screen.
- Integrated interactive language activities.
- Picture cards, word cards, and all the course audio.

First Friends

American Edition

PRE-SCHOOL

SUSAN IANNUZZI

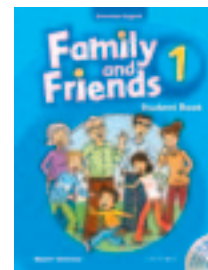

First Friends is a fun three-level course that develops vocabulary, practises phonics, and teaches family values.

- Systematic phonics instruction builds letter recognition and letter formation skills.
- Everyday English and social values, such as sharing, are taught through a family setting.
- Cross-curricular lessons practise language through craft projects.
- Activities such as making connections and seeing patterns improve critical thinking skills.
- Student audio of all the language and songs helps families with the child's learning.
- iTools digital resources feature each Student Book on screen, with embedded audio, answer keys, and quick access to additional content.

Oxford Phonics World

NEW

BEGINNER (A1)

KAJ SCHWERMER, JULIA CHANG, AND CRAIG WRIGHT

Oxford Phonics World is the first step on your students' journey into English, leading you through all 44 sounds.

- Five levels of phonics for use before or alongside your English course.
- Over 150 Phonics Friends, such as angry apple and big bear, bring English sounds and letters to life, helping children remember them.
- Action songs, chants, and games encourage children to discover connections between English sounds and letters.
- Active class activities develop children's listening, speaking, reading, writing, and spelling skills – with lots of opportunities to think about and apply what they learn.
- Teacher's Books guide you step by step as you introduce new sounds to your class.
- *Oxford Phonics World Readers* engage children in reading (see page 98).

iTools

- Student Book and Workbook on screen.
- Course audio and karaoke tracks.
- Video clips and animations.

Student Multi-ROMs

- Fun animations.
- Full course audio.
- Interactive games, songs, and activities.
- Practice at home with parents.

Website

- Extra resources for teachers.
 - A Parents' Site offers useful advice on helping their children learn outside of the classroom.
- www.oup.com/elt/oxfordphonicsworld

Every unit uses Presentation, Practice, and Application to help students learn.

Presentation
New sounds are presented in a fun way

Practice
Children get the chance to practise what they are learning

Application
Fun activities and chants guide children to think and apply what they have learned

A 'journey strip' shows students the sound they are focusing on, sounds they have learned, and sounds they will be learning
