BEN WETZ, DIANA PYE, NICHOLAS TIMS, AND JAMES STYRING

English Plus is a flexible course with all the additional material you might need.

- Extra optional pages at the back of the book enable teachers to tailor their lessons to their students' needs.
- A focus on communicative outcomes means that every lesson ends with an Activate task, usually speaking, which lets the students use and personalize the material.
- Staged lessons provide students with comprehensive support.
- Lots of support for mixed ability classes including regular fast-finisher exercises and online practice.
